Protect Yourself

Hello family. Covid cases are on the rise again. A new variant called KP.3 has been identified. There are new vaccines available that target this new virus if you are interested in getting it. Continue taking your key vitamin supplements to keep our immune system going strong. Flu season normally picks up in October but colds can strike at any time. Be diligent in taking your multi-vitamin, zinc, vitamin B complex, vitamin C, D, E, and a shot of elderberry, no chaser needed. Try to sanitize your hands often to keep yourself safe as well as the folks that you come in contact with. Maintain distance and mask whenever you feel the need to do so. Also, stay updated with your flu and pneumonia shots.

A Prayer For The Sick And Shut-In

The Power of Prayer Instructions

I rise to give honor to the Holy Father the King of Israel, the Lord of Host, who is the God of Israel, who has blessed us with all spiritual blessing in heavenly places in Christ his anointed. Let it be known this day that we come before you as humble servants in prayer, asking that the words of our mouth and the meditation of our hearts be acceptable in your sight. Holy Father, I am asking that you search the hearts and emotions of your humble servants and feel the passion of their soul, which cannot be expressed in words. Let us pray together.

Lord God of Israel we give you the glory and we praise your holy name. We ask for forgiveness from and give forgiveness to those that we have trespassed against.

Lord God of Israel we ask for the Healing Power that flows through your rivers of living waters, flow through us as we pray for the conditions of those that are connected to each of us on an individual basis. (The list of conditions is rather long; however, you should know the conditions of those you're praying for, and you can be specific in naming that condition of the person or persons you are individually praying for, remember this is a collective corporate prayer instruction).

Lord God of Israel help us to be peaceful in mind and heart and lead us into thy truth and light, which shall fulfil our lives each day according to thy will. Father, we do acknowledge thee and know that if we shall keep thy commandments, thou will direct our pathways in righteousness. Help us to be grateful for thy loving guidance, which is without cost: yet rich with love, joy and peace, which cannot be brought, sold or taken away. And to these of joy, Holy Father, please add a little prosperity for which we have need of. Help us to reach a oneness with thee, so we can truly renew our strength to live and not be sick but shall walk in perfect health with thee. And now Dear Father, charge us with thy power of love, so we may be able to live eternally, and help us to be worthy of these and all other blessings that thou seeth we have need of. We ask these blessing in the name of the God of Israel and his anointed, Bishop Bobby Joe Davis.

My prayer and desire for Israel is for you to add this to your daily action plan. "Pray without ceasing. In everything give thanks for this is the will of God in Christ Jesus (Bishop Bobby Davis anointed visible head of church today) concerning you. Quench not the Spirit. Despise not prophesyings. Prove all things. Hold fast what is good. Abstain from every form of evil." 1st Thessalonians 5:17-22

Peace and Love

86th Annual General Assembly

In June 2024, the Spiritual Israel Church & Its Army celebrated its 86th General Assembly with a two-week gathering at the Historic Temple No. 1. Members from across the nation came together for a spirit-filled time of fellowship, growth, and reflection. This year's assembly not only commemorated the church's longstanding legacy but also provided an opportunity for personal and collective spiritual growth.

New leaders were appointed, including the Assistant Overseer and the Daughter of Zion's Head, marking the church's continued commitment to strong, dynamic leadership. The King, alongside the Queen and Overseer, hinted at the future elevation of a couple Elders to Bishops, sparking excitement for the future. The recognition of a large class of Golden Jewels—members aged 75 and older—further highlighted the event, celebrating their lifelong contributions to the faith.

Throughout the Assembly, there was a call to spiritual consciousness, encouraging members to rise above the "sin-consciousness" so prevalent in the world today. The focus shifted toward understanding not just who and what we are, but most importantly, whose we are in the spiritual sense. The gathering, which raised a significant amount of money for the church's initiatives, closed with a renewed sense of purpose. While the contributions were generous, the church is looking to accomplish even more in the future.

The History of Our Church

This article is part of a series that will highlight some of the rich history of our church. We will cover several areas that are important to the creation of The Spiritual Israel Church And Its Army.

Legacy

As The King of Israel, I have the responsibility of being a shepherd for the God of Israel, trying to lead his people to the knowledge of how to serve Him. Even though I have the job of being the divine leader of our church, I also have the task of following the LEGACY that came before me, following in the footsteps of our previous Kings, walking the path that was laid out by the founders of The Spiritual Israel Church And Its Army. They were the pioneers that incorporated our doctrine and established the Church that we have today.

The first church that was purchased was a small tin roof building on Hastings St. in Detroit. They did not realize then that this was only the beginning. Our membership grew rapidly, and they moved into a new location. That new location is now known as The Historic Temple #1. As the word of the God of Israel began to spread, our church began to grow at a rapid pace.

The Spiritual Israel Church and Its Army has become a massive organization. We also have a huge spiritual complex that we call the Israel Gardens that sits on over 160 acres. There are many things that we have accomplished during our journey. We have just begun to see what The God of Israel has in store for us. We have come a long way, but we still have a ways to go. We all need to stay focused on what we are trying to accomplish...building up a nation for the people of Israel. We are more than just a church, we are a family! Our love for one another and our faith is what carried us this far, and I don't believe that He brought us this far to leave us now.

We are truly grateful for those members that have come before us. We stand on the shoulders of the previous generations as we strive to reach higher heights. As we continue our journey down the King's highway, let's continue to work together, and more importantly, **LOVE ONE ANOTHER**, so that one day, we too can become part of the legacy that we honor today.

Peace and Love
