Israel's Holy Land The home of the Israel Gardens

It is no coincidence that the 87th Annual General Assembly for The Spiritual Israel Church And Its Army is being held at the Israel Gardens. This year, we celebrate the **30th Anniversary of the Israel Gardens Activity Center.**

When our spiritual founder, Bishop William D. Dixon, established the church, he wanted to build up a spiritual nation for God's people. He also envisioned establishing a spiritual community that would become self sufficient so that the children of Israel could become independent and live off of the food and vegetables that would be harvested and raised on the land. He purchased 80 acres of land in Sumpter Michigan, additional land was purchased by the church over the years.

His vision came to fruition when the land came to be known as **Israel's Holy Land**. After years of planning and preparation, a groundbreaking ceremony was held in 1993. In 1995, the Israel Gardens Activity Center was built. The building started out as a small banquet center, but it has become a multipurpose facility. It has a commercial kitchen, several offices, 2 large pavilions, storage areas, and basketball courts.

The Israel Holy Land has expanded. It now sits on approximately 160 acres. The church feast is held at the center during the Annual General Assembly. The Sumpter Temple also sits on Israel's Holy Land.

The next time you visit the Activity Center or the Sumpter Temple, take a look around to see how the Israel has been blessed over the years. This is the shovel that was used to break ground for the Israel Gardens Activity Center.

A Prayer For The Sick And Shut-In

I rise to give honor to the Holy Father The King of All Israel, who is the God of Bishops Fields, Dixon, Tumpkin, Haywood, Wiley, and Bishop Davis, being Thankful and Grateful to Lord God of Israel for the Blessing Life!

I come to you Lord God of Israel humbly asking that the words of my mouth and the meditations of my heart always be acceptable in Thy sight. Holy Father we are seeking your Healing Power for not only the Sick in body, but the Sick in mind, and Spirit. We are asking that your Healing power guide the Doctor's mind and hands for those in the hospital and those who are having to have surgeries or procedures. Israel, we are praying for you to anoint the medications that we take so it helps and heals, and does not cause the body or its organs any hurt or harm. Holy Father we pray that you provide the Sick and Shut-in with caregivers that are patient, knowledgeable and kind. We ask for pain-free days for your people and for protection and deliverance from Cancer, HIV, High Blood Pressure, Diabetes, Arthritis, COVID, Pneumonia, MS and all deadly diseases.

Lord God of Israel visit the Sick, the Shut-in, the Afflicted, the Bereaved, the Addicted, and each and every Israelite home... Provide Healing, Comfort, and Deliverance from of all our troubles for we know that You are Faithful, Able and Can Do All Things!!! Finally Dear Father we ask for the continued Anointing of our King in this generation, Bishop Bobby Joe Davis and our Queen Gloria Davis for Strength, Love, Patience, Peace, Wisdom, Good Health, Power and the continued understanding how to Lead your people.

“Matthew 11:6”

I am here.

Right here.

Proclaiming the birthright.

Standing on not just the promise,
but the decree, and the very foundation of what
makes me alive. The teaching of our Forefathers
is not in vain. Here we are, being purified by the
Word of the True and Living God, which is of
Israel.

We are neither ashamed, nor confounded...

Perfecting how to walk in the Light —

That very beautiful light.

Therefore, it is matched with attending our ser-
vices, being on time, paying our tithes, loving
and serving one another, and finally, respecting
one another,

the doctrine...

the principle...

the blueprint...

is effective.

We must be willing to hear, talk, and then walk.

WE NEVER SHALL FORGET.

Going On In Israel

"Going on in Israel" is more than visiting churches or missions within our union.

It's a mindset - a commitment to move forward despite loss, heartbreak, or feeling powerless over the outcome. Losing my husband Bishop Harvey Beavers Jr., was a life-altering experience that shook me to my core. It broke my heart.

Yet, I am reminded of the amazing gift of our 12 years together - a time when he inspired me, encouraged me, and helped me grow into my own assured greatness. Not all my tears are of sadness; many flow from gratitude for the love we shared and the precious time we poured into one another.

Though not a day passes without thoughts of him, or of us, I have chosen to embrace life. Life is for the living, and I'm going on in Israel - just as I am, with purpose, faith and love.

Children's Children

I am here.

Right here.

Proclaiming the birthrite

Standing on not just the promise.

It is a decree and the very foundation

What makes me alive. The teaching of

Forefathers is not in vain. Energy

Cannot be created nor destroyed only

Transferred. We are here standing that

Same water and fire our elders

Went through is still here. So it is

Matched with attending my service, being

On time, paying your tithes, love and serving

One another and importantly respecting one

Another

I NEVER SHALL FORGET.
