## Israel Considers Changes to the format for Annual Day Programs

After years of research and planning, Israel has taken a big step towards improving church development and financial growth by developing a plan to modify the format for Israel Annual Day programs. Going forward, several Temples and Missions may combine their Annual Day programs. This change should benefit our churches by significantly reducing the number of programs held during the year, which will allow more church members to travel and attend programs. By increasing in person attendance, churches should see an increase in revenue.

While this idea may feel like a new approach, Brooklyn (Bishop Linnie Goodwin) and Manhattan (Elder Linda Alston) have been combining their programs for many years. They have created a template for everyone to follow when it comes to having a successful joint program. The New York churches took it to another level by adding a ball to their list of activities for their program weekend. The ball has become one of the highlights of their program, drawing Israelites from all over the country to come and worship at their program, and attend the ball. They have been sponsoring the ball for over 30 years. The event has drawn attendance by our church leadership, including the King of All Israel for many years. The tradition still holds today with our King, Bishop Bobby J. Davis and our Queen, Bride Mo. Gloria Davis making frequent appearances at the ball. More information on this project will be released at a later date. It is still under development.

We are asking that your Healing power guide the Doctor's mind and hands for those in the hospital and those who are having to have surgeries or procedures. Israel, we are praying for you to anoint the medications that we take so it helps and heals, and does not cause the body or its organs any hurt or harm. Holy Father we pray that you provide the Sick and Shut-in with caregivers that are patient, knowledgeable and kind. We ask for pain-free days for your people and for protection and deliverance from Cancer, HIV, High Blood Pressure, Diabetes, Arthritis, COVID, Pneumonia, MS and all deadly diseases.

Lord God of Israel visit the Sick, the Shut-in, the Afflicted, the Bereaved, the Addicted, and each and every Israelite home... Provide Healing, Comfort, and Deliverance from of all our troubles for we know that You are Faithful, Able and Can Do All Things!!! Finally Dear Father we ask for the continued Anointing of our King in this generation, Bishop Bobby Joe Davis and our Queen Gloria Davis for Strength, Love, Patience, Peace, Wisdom, Good Health, Power and the continued understanding how to Lead your people.

# Israel Is With You, When You Need Them Most

---

Oh Mighty Israel, for years, we have called on our Spiritual Leader, **Bishop Bobby J. Davis, and Our Queen, Bride Mo. Gloria Davis** to lead us, pray for us and comfort us when we were in need. They have always been there for us when we needed them. We have held on to his prayers, her words of comfort, we live by the faith and commitment he has shown us during his tenure as The King Of All Israel. No matter what we were going through, he has been with us, Now is the time for us to band together and become one body, to show them and tell them...

**Bishop Bobby, Bride Mo. Gloria, we love you, and the People of Israel are WITH YOU, in body and in spirit.**

## Isaiah 41:8-10

“But you, Israel, my servant,  
Jacob, whom I have chosen,  
you descendants of Abraham my friend,  
<sup>9</sup>I took you from the ends of the earth,  
from its farthest corners I called you.  
I said, ‘You are my servant’;  
I have chosen you and have not rejected you.  
<sup>10</sup>So do not fear, for I am with you;  
do not be dismayed, for I am your God.  
I will strengthen you and help you;  
I will uphold you with my righteous right hand.
